Business:

- Ness would like a copy of the comprehensive plan for each board member & planning commission member. Also need a copy of the current zoning and proposed land uses document for all board/planning members. Clerk will have copies made.
- The Planning Commission reviewed the home based business ordinance; Section 506: Home Occupations. The Planning Commission will work on writing a new ordinance. The new version will repeal all of section 506. Ness suggested coming up with a table of contents and following the comprehensive plan. Trescott will start on putting the table of contents together.
- Ness may not be present at the July meeting.
