

**SCIOTA TOWNSHIP PLANNING COMMISSION
MEETING MINUTES
Tuesday, January 22, 2013**

Call to Order: 7:00pm

Pledge of Allegiance

Members Present:

Shannon Olson
Duane Ness
Linda Hardy
Jill Trescott

Members Absent:

Others Present:

None

Business:

- Ness noted that there will be a public hearing at Randolph High School in regard to the shingle recycling plant that may be going in at the Industrial Park in Randolph. He also advised everyone to become familiar with the mining ordinance, because there will probably be more activity this year in the pits.
- It was also discussed that the home business ordinance will need to be looked at and revised this year.
- Trescott mentioned that we should take a look at the asphalt plant portion of the Mining Ordinance. She recalls that a portion of this section was not clear and may need to be revised. **Add to the February Planning Commission agenda.**
- Ness stated that there will be a 120 day review and comment period on the Comprehensive Plan for the NCRWMO, and that this will be sent to the township for review.

Adjourn @ 8:35pm
